

CPNS is busy getting ready for a healthy, safe and fun new year! Our first day of school is set for September 9, 2020. We cannot wait to have our halls filled with laughter and learning again!

We are still registering for our M/W/F morning preschool classes. Due to new COVID-19 Guidelines from the NJ DCF Office of Licensing, we have made changes to our class offerings for the 20/21 school year. Each class is capped at 10 students, so spots are filling up fast! As the year progresses, we hope to add some Enrichment classes and in-class lunch programs back into our schedule.

CPNS has been working hard to modify our daily schedules to allow more outside time for each class throughout the 2.5 hour preschool session. More time will be allotted for playground use as well as nature and learning walks throughout the day. When inclement weather causes our classes to spend more time inside, students will work their way around our wonderful classroom centers in small groups, each group having their own toys and supplies. Every student will have their own pencil box with activity supplies such as crayons, glue sticks, scissors and play doh. We are finding new ways to have fun and learn while keeping our students and teachers safe and healthy!

If you are interested in finding out more about our 2.5, 3's or Pre-K classes, please contact Jessica Corriveau at cpns@cranburycpns.org. We love to share our nurturing, loving school environment with prospective families!

May God bless you all with a wonderful, healthy and happy summer!!!
