The CPNS Lunch and Fun Program is open to all students in the 3's, Pre-K and Enrichment classes. Students bring their own nut-free lunch from home, eat with their friends and play outside on the playground. It is a fun way to extend your child's day and signing up for the whole year saves money over signing up monthly. You will still have the opportunity to sign your child up for lunch monthly throughout the year. Please select the days that you wish to have your child in the Lunch and Fun Program for the 21/22 school year. The lunch program tuition will be divided into nine monthly payments that will be paid with your child's tuition payments.
