Lunch Program

The CPNS Lunch and Fun Program is open to all students in the 3's, Pre-K and Enrichment classes. Students bring their own nut-free lunch from home, eat with their friends and play outside on the playground. It is a fun way to extend your child's day and signing up for the whole year saves money over signing up monthly! You will still have the opportunity to sign your child up for lunch on a monthly basis throughout the year if you do not want to commit to the full year. The lunch program tuition will be divided into nine monthly payments that will be paid with your child's tuition payments.
